H-1B VISA FEE INFORMATION FOR DEPARTMENT AND COLLEGE OFFICES

United States Citizenship & Immigration Services (USCIS) fees:

Form I-129 Petition for a Temporary Worker Fee (H-1B) is \$320.

Premium Processing Fee is \$1,000. The premium processing fee is optional. We recommend the department or college pay the premium processing fee if the employee will require the visa less than four months after application. The petition (H-1B application) fee and premium processing fee can be combined into one check in the amount of \$1,320, payable to the United States Citizenship & Immigration Services.

Fraud Prevention and Detection Fee of \$500 must accompany the initial H-1B petition. This payment cannot be combined with any other fees ~ it must be paid with a check or money order separate from the petition and premium processing fees. The Fraud Prevention and Detection Fee is only required on the initial petition and is not required for petitions for H-1B1 Free Trade Non-immigrants from Chile or Singapore.

Form I-539 Dependent Petition Fee is \$300. This fee must be paid by the employee with a check or money order payable to the United States Citizenship & Immigration Services.
